Depending on the nature of the complaint, VFA Learning may refer the details of the complaint to other external agencies for investigation as necessary.

5. Malicious Complaints

VFA Learning accepts that complaints are a genuine concern about perceived inappropriate or unfair behaviour or actions. However, on some occasions a complaint may be frivolous or malicious, i.e. designed to harass or annoy, to cause delay or detriment, or for any other wrongful purpose.

6. Student enrolment status

During the complaints and/or appeals process, VFA Learning will maintain the enrolment of a student.

7. Staff Training

Complaints Procedure

Informal complaints

Prior to initiating a formal complaint process, the parties involved will attempt to resolve concerns directly wherever possible. It is expected that many concerns will be resolved in the first instance. Students are encouraged to raise concerns directly with their trainer, particularly where the concerns are adversely affecting the learning environment.

Formal complaints

Stage one

1. Where the parties involved are unable to successfully resolve the concern directly, then a formal complaint or appeal may be lodged in writing or by using the **Complaints and Appeals Form** (with assistance where required). The form is available on VFA Learning's website or can be provided to the complainant, and it records the following information:
 - complainant's full name, address, phone/email address
 - details of the concern raised by the complainant
 - the complainant's desired outcome
 - reasons outlining the escalation to a formal process
 - if the complaint relates to another party, that party's full name and position

The completed form can be emailed to privacy@vfalearning.vic.edu.au or mailed to

The Complaints Registrar
VFA Learning
78 Yarra St
Geelong
VIC 3220

Note: complaints can be accepted without a completed form such as an email or letter, providing the authenticity of the written correspondence can be verified

The Complaints Registrar will:

- Acknowledge receipt of all complaints in writing within 48 hours. The acknowledgement outlines the anticipated review period
 - will notify the Campus Manager and relevant Academy Academic Co-ordinator of the complaint
 - commence the investigation into the complaint
 - record details of the complaint in the **Complaint and Appeals Register**
2. VFA Learning's investigation process will commence no later than 10 days after submission.
 3. Assess the complaint and carry out the following as applicable:
 - Speaks with the complainant and where applicable the respondent
 - Discuss the complaint with any staff members involved or named in the complaint
 - Arrange conciliation and mediation where applicable
 - Then determine the outcome, and advise the Complainant in writing of their decision, including the reasons for the decision, within 14 days.

4. Where the VFA Learning considers more than 60 calendar days are required to process and finalise the complaint or appeal, the RTO informs the complainant or appellant in writing, outlining reasons why more than 60 calendar days are required, and regularly updates the complainant or appellant on the progress of the matter.

Stage Two

If the Complainant is not satisfied with the outcome of Stage 1 they may lodge an appeal in writing to the Director of Quality.

Note: where a complaint directly involves the Director of Quality, the CEO will appoint a suitable, independent, senior staff member to assess the complaint and determine the outcome.

1. The Director of Quality will conduct all necessary consultations with the Complainant and other relevant persons and make a determination within 15 business days of receiving the complaint. The Complainant will be advised in writing of the outcome, including the reasons for the decision, within 14 days.
2. During this stage of the procedure, each party has the option to be accompanied or assisted by another person, at that party's cost.
3. The Complainant will be advised of their right to progress to Stage Three of the complaints' procedure if they consider the matter unresolved.

Stage Three – Independent Third Party review

Where the complainant is dissatisfied with the outcome of the internal review they can appeal and request a review of the decision from an independent external third party. Appeals or requests for independent third party review of decisions are to be lodged in writing within 28 days of the decision or outcome.

1. Requests for appeal or review of decisions are referred to an independent third party or external mediator, determined by the Chief Executive Officer.
2. VFA Learning acknowledges receipt of the request for independent third party review in writing. The acknowledgement outlines the anticipated review period and the independent review officer.
3. The review process and review officer is recorded in the RTO Complaints and Appeals Register.
4. VFA Learning discloses any costs associated with a third party review, so all parties are aware of any costs they may incur.

ASQA is not able to act as the independent third party for reviewing complaints.

The independent review officer makes a determination to VFA Learning and the appellant. Decisions or outcomes of the appeal or review process that find in the favour of the appellant are implemented immediately.

5. The Complaints Registrar is notified of the outcome and action to be implemented. Documentation is securely filed and the outcome and continuous improvement action is noted in the **Complaints and Appeals Register**.

Appeals Procedure

Assessment appeals

Prior to initiating a formal assessment appeal process, the students must attempt to resolve concerns directly with their Assessor wherever possible. The assessor will hear the student's appeal, make a fair judgement to the best of their ability as to whether the change(s) are required and then discuss their final decision with the student.

If the student is still dissatisfied with the assessor's decision, they have the right to take the appeal to the formal stage and to address the appeal to the Academic Co-ordinator at their home campus

The student must complete Section 2 of the **Complaints and Appeals form** and lodge it with their Academic Co-ordinator and must be submitted within **14 days** of the original assessment outcome date

If a student is citing a medical emergency as the reason for appeal, the appeal must be lodged within **5 calendar days** of the date on the medical certificate.

Cancellation of enrolment appeal

A student under has the right to appeal the decision made by VFA Learning to cancel their enrolment. The Intent to cancel enrolment letter sent by VFA Learning, provides our students with details of how to lodge an appeal. Students can lodge the appeal up to and including the 27th day from the date on the letter.

The formal notice of a request for an enrolment appeal (the notice) is required to comply with the following requirements:

- The Complaints and Appeals Form should be completed and sent to The Complaints Registrar as per the form details within **48 hours** of receiving the letter of intent to cancel enrolment.
- The appeal must outline the reasons why VFA Learning should not cancel the student's enrolment and what the student will do to ensure engagement in their studies.
- The notice of request for an assessment appeal must be submitted within the specified timeframe of 27 days, otherwise the cancellation will go ahead.

Appeals will follow the same process as outlined in the Complaints Procedure in this document.
